Degree Audits—Undergraduates

A degree audit is a computer-generated analysis that enables an undergraduate (except for Woods College of Advancing Studies) or Law student and his or her advisor to assess the student’s academic progress and unfulfilled requirements. Students in the Woods College of Advancing Studies can meet with an advisor and obtain a degree audit at any time.

The degree audit is a valuable tool for academic planning because it matches the courses that the student has taken with the requirements of his or her degree program or anticipated program. Students receive degree audits each semester prior to registration and have access to actual and simulated degree audits on their Agora Portal account at portal.bc.edu. Students are responsible for completing all the requirements listed on the degree audit prior to graduation.

Review your audit carefully in consultation with your advisor before you register. If a course on your degree audit is not being counted correctly because of a system error, contact your Academic Recorder (A&S and LSOE: Mary McCrosson, CSOM and CSON: Terry Rezzuti). If you want a course to count for a requirement that it does not usually fulfill, obtain a “Degree Audit Course Substitution and Waiver” form from the Office of Student Services, and take it to the department for approval. Return the form with the appropriate stamp to the Office of Student Services in Lyons Hall for processing.

Overloading

The standard semester course load for undergraduates is five 3-credit courses and a maximum of 20 credits, including labs and other 1- or 2- credit courses. Students are eligible to overload if they have earned at least a 3.0 overall cumulative GPA or a 3.0 GPA in the semester immediately prior to the one for which the overload is sought, in which case they may register online for a sixth course of three credits or more and a maximum of 24 credits, including labs and other 1- and 2-credit courses, during the first seven class-days of the semester.

Students are not permitted to take a sixth course of three credits or more during their first semester at Boston College. Second-semester freshmen who wish to overload with a sixth course of three credits or more must obtain permission from their Associate Dean.

Students with an overall cumulative GPA between 2.0 and 3.0 may, under exceptional circumstances, be allowed by their Associate Dean to enroll in a sixth course.

Students who wish to drop an overload course must fill out the required request form in the office of their Associate Dean by October 1 in the fall semester and by February 15 in the spring semester.

Students in a Woods College of Advancing Studies degree program may take a maximum course load of three courses per semester. Authorization for one additional course will be given only if the student has completed three courses in the previous semester, each with a grade of B- or better. One course may be taken during each Summer Session. Additional courses require authorization. Courses taken without reference to this regulation do not advance a student’s Woods College degree program.

Withdrawing from a Course or from the University

Undergraduates may drop or add a course(s) online during the first seven class-days of the semester. Undergraduates only may drop a course, including a sixth course, until October 1 in the fall semester and February 15 in the spring semester in their Associate Dean’s office.

After the extended drop period, undergraduates who withdraw from a course will have a “W” recorded in the grade column of their academic record.

Graduate students who withdraw from a course after the drop/add period (first seven class-days of the semester) will have a “W” recorded in the grade column of their academic record.

To withdraw from a course, students must go to the Forms page on the Office of Student Services website (www.bc.edu/ssforms), print the withdrawal form, and then go to the Office of the Associate Dean for their school. Students will not be permitted to withdraw from courses after the published deadline. Students who are still registered at this point will receive a final grade for the semester.

The last date to withdraw from a spring course with a “W” or to withdraw from the University is November 26, 2012.

Woods College of Advancing Studies (WCAS)

WCAS designates a limited number of courses that are available to full-time undergraduate day students. All full-time undergraduate students are limited to one WCAS course each semester. Freshmen may not enroll in any WCAS courses.

WCAS courses can be used to fulfill elective requirements. Students must check with the appropriate department if they intend to use a WCAS course to fulfill a Core or major requirement. There are a limited number of seats in each course, and they are distributed on a first-come, first-served basis. Check with the WCAS office, McGuinn 100, on the first day of classes in September to see if additional seats are available.

General Information

Audits

Undergraduate

Undergraduate students may not audit a course, with the exception of undergraduates in WCAS.

Graduate

Students in the Graduate School of Arts and Sciences, the School of Theology and Ministry, and the Connell School of Nursing may register for an audit online. Lynch School of Education, Carroll School of Management, Law School, and Graduate School of Social Work students must consult the Graduate Associate Dean’s Office before they can audit a course. Woods College of Advancing Studies students may not audit courses.

After the drop/add period (during the first seven class-days of the semester), graduate students who wish to change a course from credit to audit or audit to credit must go to their respective Graduate Associate Dean’s Office and complete a Graduate Course Exception form. Students in the Carroll School of Management may change a course from credit to audit but not audit to credit.

After September 12, graduate students who wish to change a course from credit to audit or audit to credit must go to the Associate Dean’s Office and complete a “Graduate Course Exception” form. Students in the Carroll Graduate School of Management may change a course from credit to audit but not audit to credit.

If you drop an audit before September 12, you will receive a 100% refund. You may not drop an audit after September 12. There is no cancellation of tuition for a course changed from credit to audit.

Credit Variation

If you need to change the number of credits for a course, pick up a “Graduate Credit Variation” form from the Office of Student Services. Have the form approved by the Associate Dean of your school and return it to Lyons Hall by September 12, 2012. After September 12, bring the form to the Office of Student Services and pay for the additional credits.

Cross Registration

Undergraduate and graduate students may be eligible to take courses in BC-affiliated consortia if the same courses are not offered at Boston College at any time during the academic year.

Boston Theological Institute

The Boston Theological Institute (BTI), a consortium of theology faculty primarily in the Boston-Newton-Cambridge area, has as its constituent members the following institutions:

- Andover Newton School of Theology
- Boston College’s Department of Theology
- Boston College’s School of Theology and Ministry
- Boston University School of Theology
- Episcopal Divinity School
- Gordon-Conwell Theological Seminary
- Harvard Divinity School
- Holy Cross Greek Orthodox Seminary
- St. John’s Seminary

This consortium offers complete cross-registration in several hundred courses, the use of library facilities in the nine schools, joint seminars and programs, and faculty exchange programs.

Theology majors and students in the School of Theology and Ministry who want to cross register through the Boston Theological Institute should pick up a cross registration petition in Lyons Hall and return it with an authorization by the appropriate date. Students are expected to consult with their advisor or department chairperson before cross registering. Graduate Theology majors may take up to half of their courses through BTI.

The Consortium

Under a program of cross registration, sophomores, juniors, and seniors may take one elective course during each semester at Boston University, Brandeis University, Hebrew College, Hellenic College, Pine Manor College, Regis College, or Tufts University if a similar course is not available at Boston College. Cross registration forms are available in the Office of Student Services in Lyons Hall.

Graduate students, except Law students, may cross register for one course each semester at Boston University, Brandeis, and Tufts. M.B.A. students are not permitted to register at Brandeis University and students in the Graduate Finance Program are not allowed to cross register at any of the universities. Cross registration materials are available in Lyons Hall.

Law school students may cross register for classes only at Boston University Law School and only if the course they wish to take at BU will not be offered at any time during the current academic year. Students wishing to cross register must see the Director of Academic Services for permission.

The Graduate Consortium in Women’s Studies

Graduate students enrolled in degree programs during the academic year may apply to participate in the Graduate Consortium in Women Studies, an inter-institutional enterprise established to advance the field of women’s studies and enlarge the scope of graduate education through new models of team teaching and interdisciplinary study. Faculty and students are drawn from six member schools—Boston College, Brandeis, Harvard, Northeastern, MIT, and Tufts. Graduate students enrolled in degree programs at Boston College may, with the permission of their department, apply to participate in this program. Registration forms will be mailed from the Consortium to accepted students.

Dropping, Adding, or Changing a Major

Undergraduate A&S and CSOM students who want to add or drop a major should go to the department of the new major. Students in the College of Arts and Sciences who want to switch from a major to “undeclared” must go to the Academic Advising Center (Bourneuf House, 84 College Road).

Email

Email accounts are automatically created for all full-time undergraduate and all graduate students. The Office of Student Services sends all notifications to your BC email account. To view your email address, log on to your Agora Portal account. Go to “My Services” and select “Email Settings” to view your email address. To forward your BC account to another email account, click on “Configure Email Preferences.”

University Communication Policies and Student Responsibilities

Official communications of the University with its currently-enrolled students, including notices of academic and administrative matters and communications from faculty and administrative staff, may be sent via postal service, campus mail, or email. To assure that these communications arrive in a timely manner, all enrolled students have the following responsibilities:

Postal service and Campus mail: For purposes of written communication, the student’s local and permanent addresses on record in the Office of Student Services will be regarded as the student’s official local and permanent residences. All students have a responsibility to provide both local and permanent mailing addresses, and to enter corrections via the Agora Portal if the addresses are not accurate in university records.

Students should review their address record for accuracy at the beginning of each semester, and again soon after submitting any corrections. Students who are studying abroad have a responsibility to provide their local international address via a link on the Office of International Programs website.

Email: The University recognizes and uses electronic mail as an appropriate medium for official communication. The University provides all enrolled students with email accounts as well as access to email services from computer stations at various locations on campus. All students are expected to access their email accounts regularly, to check for official University communications and to respond as necessary to such communications.

Students may forward their email messages from their University email accounts to non-university email systems. In such cases, students shall be solely responsible for all consequences arising from such forwarding arrangements, including any failure by the non-university system to deliver or retain official University communications. Students should send test messages to and from their University email account on a regular basis, to confirm that their email service is functioning reliably.

All student responses to official email communications from the University must contain the student’s University email address in the “From:” and “Reply To:” lines and should originate from the student’s University email account, to assure that the response can be recognized as a message from a member of the University community.

Graduation Information

Diploma Names

Graduation Dates

Boston College has three graduation dates—December 30, August 30, and May (date varies yearly). If you believe that you have completed all of your degree requirements as of the end of the previous semester and should have graduated, contact your Academic Recorder (listed in the next column).

Immunization Requirement

Both graduate and undergraduate full-time students registering at the credit levels listed below are required to comply with Massachusetts General Laws (the College Immunization Law):

College of Arts and Sciences—Graduate	9 credits
College of Arts and Sciences—Undergraduate	9 credits
Woods College of Advancing Studies—Graduate	9 credits
Woods College of Advancing Studies—Undergraduate	9 credits
Lynch School of Education—Graduate	9 credits
Lynch School of Education—Undergraduate	9 credits

Carroll School of Management—Graduate	9 credits
Carroll School of Management—Undergraduate	9 credits
Connell School of Nursing—Graduate	9 credits
Connell School of Nursing—Undergraduate	9 credits
Graduate School of Social Work	9 credits

The College Immunization Law requires proof of the following immunizations:

- Tdap is required for all incoming full-time college freshmen and health science students. If it has been less than 5 years since the last dose of DTaP/DTP/DT/Td, Tdap is not required but is recommended regardless of the interval since the last tetanus-containing vaccine; Tetanus-Diphtheria vaccine within the past 10 years or one dose of Tdap for all other students
- 2 Measles, Mumps, and Rubella
- 3 doses of the hepatitis B vaccine
- Meningitis immunization or submission of waiver form for all students living in University-sponsored housing
- 2 doses of Varicella “chicken pox” vaccine for all college freshmen and sophomores or a reliable history of chicken pox documented by a health care provider and birth before 1980 in the US is acceptable except for health science students. **CSON and CGSON require positive titers; incidence of disease is not acceptable.**
- In addition, the Connell Graduate School of Nursing also requires the positive blood titers showing proof of immunity for measles, mumps, rubella, and varicella

If an undergraduate or graduate student’s proof of immunization for measles, mumps, rubella, and/or varicella is not available, a blood Titer showing immunity will be accepted.

Failure to show proof of immunizations within 30 days from the start of classes will result in a block on your registration, and an administrative fee of \$65 will be charged to your student account.

The only exceptions permitted are conflicts with personal religious belief or documentation by a physician that immunizations should not be given due to pre-existing medical problems.

Internal Transfer

Matriculated students wishing to transfer from one undergraduate college to another within Boston College should contact the Associate Dean’s Office of the school to which admission is sought. Students may apply at the end of their freshman year. Students applying to transfer into the Carroll School of Management, the Connell School

of Nursing, or the Lynch School of Education should note that enrollment is limited in the professional schools and internal transfer may or may not be possible in any given year.

Students applying for internal transfer should be in good academic standing (some schools may require a 3.0 GPA). All students must complete at least three (four in Lynch School of Education and Connell School of Nursing) semesters of full-time study after the transfer.

Applications are normally submitted to the Associate Dean by the last class day of the previous semester.

Loan Certification

The National Student Clearinghouse will process deferment forms for fall 2012 after September 12, 2012, in accordance with Federal regulations. If you need an enrollment certification for deferment of a student loan, mail the forms to the Office of Student Services, Lyons Hall, Chestnut Hill, MA 02467, or stop by Lyons Hall. Your deferment form will be forwarded to the National Student Clearinghouse. If the enrollment certification does not require an official school seal or signature, you may process the certification online through your Agora Portal account at portal.bc.edu.

Graduate Full-Time Enrollment Status

Graduate full-time enrollment is as follows:

- Carroll School of Management 9 or more credits
- Connell School of Nursing 9 or more credits

All students are considered half-time with six credits.

Students completing degree requirements in their final semester may be given exceptions to the school’s minimum credit standard for full-time status by their academic dean.

The credit amounts listed above are used to determine a student’s enrollment status for loan deferments, immunizations, medical insurance requirements, and verifications requested by other organizations.

Graduate schools may also define full-time status by a student’s course work or role responsibilities as listed below:

Mailing Address Update

Undergraduate and graduate students can change their local, home, or parents’ addresses and telephone numbers through their Agora Portal account at portal.bc.edu by selecting the “Addresses/ Phone Numbers” link under the “Account and Personal Info” list in “My Services.” Keeping your addresses up-to-date will ensure that you receive important mailings from the University such as graduation clearance requirements and campus parking permits. The University will also be able to contact you in case of emergencies.

Pass/Fail Electives—Undergraduate

Sophomores, juniors, and seniors may enroll online in a non-major, non-minor, or non-Core course on a pass/fail basis during the first seven class-days of the semester. After the first seven class-days, students may submit requests to have a course credited on a pass/fail basis to their Associate Dean’s office. Such requests must be submitted no later than October 1 in the fall semester and February 15 in the spring semester.

Second-semester freshmen who have been approved by their Associate Dean for an overload of a sixth course of three credits or more may take that course on a pass/fail basis, in which case the course may not be used to fulfill a major, minor, or Core requirement.

No more than one course of three or more credits may be taken pass/fail in any semester. No student may take more than six pass/fail courses of three or more credits for credit toward a degree.

Courses in the Carroll School of Management and the Woods College may not be taken on a pass/fail basis. Departments may designate some courses as not available in general for pass/fail enrollment.

Students may not take foreign language courses on a pass/fail basis until they have completed the University’s language proficiency requirement.

A student enrolled in a course on a pass/fail basis who earns a grade of D- or higher will receive a grade of Pass for the course.

Pass/Fail Electives—Graduate

Graduate and professional students should consult their school or department for specific policies regarding pass/fail electives.

Confidentiality of Student Records

Certain personally identifiable information from a student’s education record, designated by Boston College as directory information, may be released without the student’s prior consent. This information includes name; term, home, local, and electronic mail addresses; telephone numbers; photograph; school of enrollment and enrollment status; class level and anticipated date of graduation; major field of study; dates of attendance; degrees, honors and awards received; most recent previous educational agency or institution attended; participation in officially recognized activities and sports; weight and height of members of athletic teams; and other similar information.

Electronic access to selected directory information is available to both the Boston College community and the general public. A student who so wishes has the right to prevent the release of all directory information including verification of enrollment, or to suppress selected directory information. In order to do so, students must enter “privacy preferences” in the Agora Portal, Boston College’s secured intranet environment. To ensure suppression in print directories, this must be done by the end of the first week of enrollment, after which the suppression indicators may be changed for online directories at anytime.

Non-directory information is considered confidential and may only be disclosed under the limited circumstances permissible under the Family Educational Rights and Privacy Act (FERPA) and University policy.

Disclosures to Parents of Students

When a student reaches the age of 18, or attends a postsecondary institution regardless of age, FERPA rights transfer to the student. Guidelines for the disclosure of information to parents are as follows:

- Parents may obtain directory information at the discretion of the institution.
- Parents may obtain nondirectory information (e.g., grades, GPA) at the discretion of the institution and after it is determined that the student is legally dependent on either parent.
- Parents may also obtain nondirectory information if they have a signed consent from the student.

Voter Registration Information

For information about how to register to vote, students can access the “Voter Registration Information” link www.bc.edu/offices/stserv/voterinfo.html on the Office of Student Services website.

Students who are not Massachusetts residents should access <http://govote.com> for more information about their state’s deadlines and filing procedures. If the state requires that a ballot be notarized, go to the Office of Student Services in Lyons Hall, where notary services are available upon request. For a complete list of notaries public on campus, visit www.bc.edu/offices/hr/resources/campusinfo/notaries.html.

Register for Courses Using *UIS*

To register for classes at Boston College, you need to access BC’s University Information System (UIS).

Check if you already have the needed software application.
To access UIS, you need to use a software called “Telnet” or “tn3270” that is configured to access BC UIS. You may already have the needed software on your computer. It is on all CTRC lab computers and Windows laptops purchased at all BC Bookstores. Here is how to check if you have it already installed:

Windows: Start > All Programs/Programs > BC UIS or UIS
Mac: Applications folder > BC UIS

If you don’t have BC UIS, take a minute to download and install it.

If you don’t have a way to connect to “BC UIS” on your computer, you will need to download and install it at the link below. The download and install should take about one minute. If you have questions about installing the software, please call the Help Center at 2-HELP.

Download UIS for Windows:
https://download.bc.edu/applications/telnet/Install_UIS.exe

Download UIS for Mac:
https://download.bc.edu/applications/telnet/BC_UIS_Installer.dmg

Once you have UIS installed on your computer, follow the instructions below.

- Enter your username and password.
- To register for courses, type in the number for Administrative Systems. Type in the number for U-View Your BC Records. Type in the number 2 for Student Information and then “R” to register.
- Enter the 4-digit index number at the left of the course (ex: 9749) or the 7-character course code (ex: RL21504). Press enter. If the course is available, you will be given the following options:
 - Done: To update your schedule and exit.
 - Save: To update your schedule and continue.
 - Back: To retrieve your schedule thus far.
- Choose one of these options and type it on the line underneath your last course. If you have not finished registering for courses, be sure to “Save” often, so you do not lose your seat in any of your course selections.
- To log off from the registration screen, type “Done” and then follow the instructions on each subsequent screen. Exit the registration transaction completely and then reenter to ensure that you have registered successfully for all your courses.

Search Features

Use the “Browse Courses” screen to search for all (a) or open (o) sections of a course or to search by course title. From the registration screen, type “?” over the course to find open or all sections of that course or type “?” on a blank line and then the department abbreviation (ex: BI for Biology). Check course status to determine if it is open or restricted.

If you want a particular section, enter the number on the upper left-hand side of the Browse Courses screen and then press enter. Type “R” to return to the registration screen without making a selection.

Problems/Error Messages

A listing of possible error messages is listed below:

- **Corequisite:** You need to add the course’s corequisite to your schedule. The options for the corequisite are listed at the bottom left of the screen. Choose one and then type the index number on the next available line.
- **Course Closed:** There may be no seats left in the course, or the department may be holding seats or sections of courses, so they are unavailable during certain periods of registration.
- **Department Permission:** Some courses including all graduate courses may be available to undergraduates with department permission only.
- **Duplicate Course:** You may have listed two sections of the same course.
- **Invalid Index:** You have entered an incorrect index number. Search “Browse Courses” online or the printed *Schedule of Courses* for the correct number.
- **Restricted:** Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), by major (e.g., For Economics Majors Only), or by class year (e.g., For Freshmen Only).
- **Time Conflict:** You have listed two courses that are scheduled at the same time or overlap a period of time.

You will not be able to add a course or save your schedule unless you resolve the problem or remove the course from your schedule.

Register for Courses Using *U-Dial*

- Call the Boston College Voice Response Unit at 617-552-8800. If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your Eagle Number.
- Enter your 5-digit Personal Identification Number (PIN).
- Once you have accessed the voice response unit, you will hear a list of the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose one of the following transactions:

TO ADD A COURSE: If you wish to add a course, press 1 when prompted to do so. Then follow the instructions at each prompt until the add transaction is completed.

TO DROP A COURSE: If you wish to drop a course, press 2 when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.

TO ADD AND DROP A COURSE: If you wish to drop one course and then add one course, press 3 when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will not complete the drop unless you successfully add one course in its place; therefore, you shouldn’t worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).

TO CHECK THE STATUS OF A COURSE: If you wish to check quickly to see if a particular course is open, press 4 when prompted to do so. Then follow the instructions to check the status of the course.

TO LIST COURSES: Press 5 to hear the courses you are currently registered for or to confirm your transaction(s).

TO END CALL: Press 9 to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. If you make a mistake at any time, press * to start over.

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

Problems/Error Messages

You may encounter a problem or receive an error message while using the voice response unit. The most probable messages/problems and solutions are listed as follows.

Problem/Message	Probable Solution
1. Can’t access system	Use a touch-tone phone not a rotary phone, or try from another phone. Your phone may be malfunctioning.
2. System not available	You’re calling outside the hours of 8:00 a.m. to 11:00 p.m. seven days a week. Please call during <i>U-Dial</i> hours. Another possibility is the system is experiencing unscheduled downtime. Please call back in 15 minutes.
3. Busy signal	The system’s incoming telephone lines are all in use. Try again later.
4. System does not answer	The Voice Response Unit is not functioning. Try again later.
5. Wrong ID	Check to make sure that you are inputting your Eagle ID number correctly.
6. Wrong PIN	Check to make sure that you are inputting your PIN correctly.
7. Wrong index numbers	Check to make sure that you are inputting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the <i>Schedule of Courses</i> for index numbers.
8. Time conflict message	Check the <i>Schedule of Courses</i> or the Course Status List available on <i>U-View</i> . If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date.
9. The course you want is: <ul style="list-style-type: none">• a sixth course• restricted to a major or school• closed or requires dept. approval	<p>Students who maintain a 3.00 GPA, may add a sixth course online (up to 20 credits) during the first seven class-days of the semester.</p> <p>You must get the appropriate departmental approval to be allowed to override these restrictions.</p> <p>For these restrictions, see the department. If they issue an override, obtain the necessary stamp(s) and/or signature(s) and bring the approved form to Lyons Hall by 4:30 p.m. on September 12, 2012.</p>

If the above does not resolve your problem or if you have a difficult problem, call 617-552-3300, Monday, Tuesday, Thursday, and Friday 9:00 a.m. to 4:45 p.m. and Wednesday 9:00 a.m. to 3:45 p.m.

Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4:00 p.m. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30*). In situations where the non-standard time falls **halfway** between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10). The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 p.m. or later), the instructor teaching the course outside of the standard time blocks (8:00 a.m.-3:00 p.m.) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam. No exams should be scheduled during the Study Days designated on the academic calendar.

Weather-Related Exam Changes

If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: the Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day. If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (617-552-4636). For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 617-552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.

Financial Information

Billing Information—Fall Semester

Tuition and fees for undergraduates are due by August 10, 2012. Restrictions will be placed on any account not resolved by the due date. These restrictions include denied access to the Athletic Complex, use of the ID card and Meal Plan, and the ability to drop and add courses. In addition, a \$150.00 late payment fee will be assessed on any account that is not resolved by the due date. In severe cases, students will be withdrawn from the University. Please note all billing statements are sent electronically to your Agora Portal account (portal.bc.edu). Visit www.bc.edu/mybill for more information.

Scholarship holders are not exempt from payment of registration fees, acceptance fees, insurance, and miscellaneous fees at the time prescribed.

Tuition and fees for the Graduate Schools of Management, Arts and Sciences, Education, Nursing, Social Work, and School of Theology and Ministry are billed on or about July 15, 2012. Payment is due by September 15, 2012. All students should be registered for fall semester by August 15. The tuition for the Law School is due by August 10, 2012. There is a \$150.00 late payment fee for payments received after the due date. In severe cases, students whose accounts are not resolved by the due date may be withdrawn from the University.

Questions regarding billing and payment should be directed to the Office of Student Services, Lyons Hall, at 617-552-3300 or 800-294-0294.

E-Payment

The University offers web-based payments directly from your savings or checking account. You may make an e-payment through the MyBill option in your Agora Portal account (portal.bc.edu) or at <https://portal.bc.edu/webpayment>.

The University does not accept credit card payments for tuition, fees, or room and board, except for the students in the Woods College of Advancing Studies (WCAS).

Massachusetts Medical Insurance

In accordance with the Commonwealth of Massachusetts’ law and the policies of Boston College, all students registered in a degree program will be charged directly by Boston College for medical insurance. Non-degree students who are registered at least 75% of the full-time credit load will also be charged directly by BC.

Students currently enrolled in a health plan that is comparable to the Boston College-sponsored plan may waive coverage as follows:

- If students are over the age of 18, they may access their Agora Portal account (portal.bc.edu). Select “My Services” and then “Medical Insurance” option. To provide proof of comparable coverage, they will need to have information about their current health insurance plan readily available.
- If the student is under the age of 18, the parent or guardian must sign and submit a written waiver which can be downloaded at www.bc.edu/ssforms. These students cannot file an electronic waiver.

International students who are not citizens or permanent residents of the United States will automatically be enrolled in the Boston College plan regardless of their credit hours. International students are not eligible to waive the student insurance plan unless they are enrolled in a plan underwritten by a U.S.-based insurance carrier. They also are not eligible to waive their insurance online. They will need to submit a written waiver form.

Waivers must be completed every year. Providing insurance information to other offices on campus (e.g., Athletics or Health Services) does not fulfill the waiver requirement.

If students do not complete a waiver (electronic or paper) prior to the deadline, they will automatically be enrolled in and charged for BC’s Student Injury and Sickness Insurance Plan. The cost is \$2,290 for coverage from August 7, 2012, to August 6, 2013.

Waivers must be completed and submitted by September 14, 2012, for the fall semester. Waivers submitted between September 15, 2012, and January 25, 2013, will be valid for spring only. Incomplete waivers will not be processed.

Withdrawals and Refunds

Fees are not refundable.

Tuition is cancelled subject to the following conditions:

- Notice of withdrawal must be made in writing to the Dean of the student’s school.
- The date of receipt of written notice of withdrawal by the Dean’s Office determines the amount of tuition cancelled.
- The cancellation schedule as published in the University catalog will apply to students withdrawing voluntarily, as well as to students who are dismissed from the University for academic or disciplinary reasons.
